WHAT IS IT?

The Team Rogers Community Draft is helping kids get more from the games they love. We're making it possible by giving them exclusive access to pro athlete mentorship, virtual experiences, and contributing \$150 towards hockey program fees. Imagine getting to learn from our Team Rogers captains Connor McDavid, Bo Horvat and John Tavares!

WHO CAN APPLY?

The parent or legal guardian of a child between 5 and 17 years of age and currently registered in a legitimate hockey organization.

HOW DO I APPLY?

Applications close December 19th, so visit getdrafted.ca to learn more and register your kid for a chance to be drafted to Team Rogers!

IS THERE A CATCH?

No. We're excited for hockey to return and want to help Canadian families get back to the game they love. There is no cost to enter. Just submit your child's info for your chance to be selected.
